

## Sixth Form Induction

Monday 21<sup>st</sup> to Wednesday 23<sup>rd</sup> June 2021

### What are the benefits of Sixth Form Induction?

- You have all worked hard over the course of your GCSE's and we look forward to sharing with you the successes you deserve when you get your results in August. GCSE's are part of the journey towards realising your ambitions, not the destination. Sixth Form Induction is designed to help prepare you for the next step.
- The induction sessions will allow you to be confident in your A Level choices and you will understand what is involved in each of your chosen subjects. By the end of your sessions, you should be looking forward to the next stage of your school career.

### What will happen?

- You will attend sessions for each of your chosen subjects.
- You will find out about the opportunities waiting for you in the Sixth Form and discover how you can make a lasting contribution to the community at DGGs through activities that you take part in. The more you put into our community the more you will get out.
- Please bring your usual equipment with you and equipment appropriate for your chosen subjects.

### A few questions answered:

- On Monday morning all students should report to the entrance on Castle Avenue, where you will be greeted and shown to the Hall ready for a 9.30am start.
- On Tuesday and Wednesday period one sessions will start at 8:40am.
- Your timetable will be issued on Monday morning.
- You are permitted to wear your own clothes for Sixth Form Induction. However, we would ask that you dress smartly, to reflect the professional environment of the school. A copy of the Sixth Form Dress Code is attached.

### What will be expected of me?

- The Sixth Form represents a 'fresh start' for each of you. Do reflect carefully on the last five years and your approach to study. Think about what has worked for you and use what you know to ensure success over the next two years.
- Do contribute fully in each session. It is up to you to make the sessions worthwhile and useful. Speak to us at the earliest opportunity if you wish to reconsider your subject choices.
- Be responsible for your own progress and for the way you conduct yourself around school.
- Look forward to joining the Sixth Form. It should be an exciting and rewarding time for you. If there is anything troubling you make sure that you come and talk to us at once. We work together at DGGs and will support you in your Sixth Form life from the very start.

Best wishes

The Sixth Form Team
