Dover Grammar School for Girls

Teacher of Film Studies

Required: September 2019

Dear Applicant

Thank you for your interest in the post of teacher of Film Studies. This is an exciting opportunity to join the team at one of Kent's highest performing grammar schools. Dover Grammar School for Girls is a selective, high achieving school with 660 girls in Key Stage 3 & 4 and a co-educational sixth form of 219 students. We have been oversubscribed for many years and have twice been rated 'Outstanding' by Ofsted; the latest inspection was 2013.

In 2017, 76% of students achieved Grade 5 or above in English and Mathematics at GCSE. Our Progress 8 score was + 0.40 and Attainment 8 score 61.8. At A Level, 52% of students gained A*/B. The school's Level 3 Value Added score has historically been significantly positive. Although we are extremely proud of our students' past achievements, we recognise that there will always be areas for improvement, and, each year, we firmly believe that we can do even better. We are now therefore looking for an enthusiastic, innovative and forward-thinking part-time Teacher of Film to join our successful and dedicated team.

Our students are bright, articulate, fun to be with, and, rightly, expect that their teachers will share and encourage their aspirations. As teachers, we all offer students every possible opportunity beyond the classroom with a wide range of extra-curricular activities, support and pastoral care. We offer wellbeing support and aim to develop not just the academic abilities of our students but also to give them the confidence, life skills and personal qualities and values to succeed in a fast moving and competitive world.

We are seeking an outstanding practitioner who is able to teach Film Studies at A-Level. The successful candidate must also be able to support those who find the subject more challenging whilst also stimulating and stretching the brighter students. This post requires an ambitious, innovative, hard working individual who is committed to giving our students the confidence and knowledge to reach their highest potential.

Here at Dover Grammar School for Girls we look after our staff with a full programme of induction, a 'buddy' on arrival and we also provide a laptop.

We are a diverse yet united group of individuals working together to ensure that our students, parents and the local community are provided with the highest academic standards. We work hard, but we enjoy what we do.

If you share our passion, energy, enthusiasm and determination to ensure the progress of our students, and wish to be part of a high achieving department of professional colleagues within

this close-knit environment, then we look forward to receiving your letter of interest and completed KCC application form, which can be downloaded from our website and Kent Teach. To assist you in this process we have included a job description, person specification and a statement from the Film Studies Department.

The closing date for receiving your application is midday, Monday 29th April 2019.

Yours sincerely

Film Studies Department Statement

Film Studies is a popular A-Level choice and combines both theoretical knowledge and production skill to provide students with opportunities to be creative and to learn about film as an art form. Students have access to industry standard equipment and software including a brand new suite of Apple iMacs to use for their production work.

At A-Level, students are taught the Eduqas Film Studies specification which introduces learners to a wide variety of films including mainstream American films from the past and the present as well as a range of recent and contemporary British films, American independent films and global films, both non-English language and English language. Students also produce their own short film for the NEA requirement of the course.

Summer 2020 will be the first year of examinations for this specification. However, previous results for Media Studies have been consistently impressive with approx. 90% of students achieving A*-B in the past three consecutive years.

Each year, a core team of Film Studies students produce films to capture the school community, whether during House events, Sports Day or Enrichment Weeks. Students are also encouraged to enter competitions and are supported to find work experience opportunities within the film and media industry.
