Welcome to Dover Grammar School for Girls

At Dover Grammar School for Girls we are committed to the care and well-being of our students. As a visitor to our school, if you see anything during your visit that causes you concern, then please report this to Reception so that a member of the Senior Leadership Team can be contacted.

If applicable, please make sure that you wear your visitor's badge throughout your visit, and remember to sign-out in Reception before leaving the school site.

Respect

We work hard to develop and maintain positive relationships based on mutual respect. Violent or abusive behaviour of any kind will therefore not be tolerated and decisive action will always be taken to protect the well-being of students and staff.

First Aid

DGGS has a number of trained first aiders throughout the school. If one is needed during your visit, please ask a member of staff who will help you.

If you have a medical condition of which we should be aware, please inform Reception on your arrival.

Smoking

DGGS operates a no smoking policy - which includes the grounds and car park. The use of electronic cigarettes is also prohibited.

On-Line Safety

The school's Mobile Technology, Social Media & On-Line Safety Policy builds on the KCC On-Line Safety Policy and government guidance.

Mrs Ann Griggs is the school's On-Line Safety Co-ordinator. She is responsible for ensuring that students and staff are protected from harm and supported to achieve the maximum benefit from new and developing technologies, without risk to themselves or others.
